

Rocky Mountain Fall Fly-in
Official Rules
at the Rifle Airport (RIL)
September 22, 2018
7am - 7pm

1. There is no cost to register for this event - you may register on line or at the airport the day of arrival. By registering for this fly-in event you agree to the following conditions.
2. Event price 100LL at \$2.50/gal is for registered participants only*.
3. Each aircraft is limited to a maximum of 100 gallons at the event price of \$2.50/gal.
4. Event price overall limit is 5,000 gal at \$2.50 / gal.
5. Event price AvGas is available Saturday, September 22, from 7am through 7pm **OR** until the 5,000 gal event limit is reached - whichever comes first.
6. Event price AvGas is only available from Atlantic Aviation's mobile fuel truck.
7. Registered participants may contact Atlantic Aviation two weeks prior to the fly-in event and reserve event price fuel for their aircraft.
8. No event price AvGas shall be placed in or drained into any motor vehicle, fuel can/s or other storage container/s. No pre-purchase of event priced fuel on account.
9. The Pilot in Command is responsible to perform an accurate and proper weight and balance calculation to include the then current density altitude prior to placing a fuel order for their aircraft.
10. EPA rules and regulations are enforced at RIL. Pilots are responsible for any fuel that drains out of their aircraft onto the ramp. Carefully consider fuel expansion and the ramp slope of 2.3° before placing a fuel order. Any hazmat clean-up will be billed to the aircraft owner prior to departure.
11. Photographs and/or video purchased during the fly-in event from Air Show Productions may be used by the aircraft owner and/or pilot for: promotion, marketing, revenue generation, personal use, business use, public display or any other legally permitted use.
12. Photographs and/or video taken during the fly-in event may be used by Air Show Productions and/or Garfield County for: promotion, marketing, revenue generation, personal use, business use, public display or any other legally permitted use.
13. It is our intent to submit HD photographs to Trade-A-Plane for possible publication and promotion of our event. There is no guarantee that any photograph submitted will be used by Trade-A-Plane.
14. County-wide emergency responders are invited to the BBQ lunch on September 22 for an aircraft familiarization seminar. Pilots are encouraged to show emergency responders their aircraft but this is not required.
15. These rules may be changed or modified at any time at the discretion of the Airport Director to address any unforeseen circumstances including suspected violations of these rules.
16. Participants shall abide by the airport rules and regulations.
